Letter dated 19th July 1937 from the Secretary, Deena Seva Sangha, Bangalore to the Municipal Commissioner, Bangalore City.

In reply to your kind letter No.A5-1110/36 dated 2-6-1937, asking us to submit a report of the activities of ~~our~~ our Ashram. situated next to Scavengers' Lines, in Risaldar Street, Old Sewer Lines, Seshadripuram, I have the honour to submit the following information.

The Ashram was started in January 1931, to carry on social service work amongst sweepers, Road-makers and also Mill - labourers and coolies living in and round about Seshadripuram. We are conducting the following activities -

1. The Labourers' Fellowship Day School - The School has a total strength of 172, which is devided into one Kanarese, one Telugu and 4 Tamil classes. There are six whole-time - teachers, who are in-charge of each one of these classes. The School is recognised by the Educational Department and is regularly inspected. We give instruction upto the Primary Standard and also conduct Bhajana, songs and drill classes, in addition to giving regular oil and soap baths to the children every Saturday morning.

II. The Labourers' Fellowship Night School - The Night School has a strength of 34 students who are all working in Mills and Factories. Many of them sleep in the Ashram itself and take part in School work and excursions on Sundays. We have a gymnasium where they have physical culture every evening. We have also formed a Scout Troop amongst these youngmen.

III. Bhajanas - The Ashram conducts regular Bhajanas on Saturday evenings and for this purpose we have constructed two Bhajana Mandirs, right in the heart of Sweepers' quarters and one in the Road Makers huts. Along with the Bhajanas the workers very constantly visit the quarters and talk to the people on - health, sanitation, thrifty living and temperance.

Iv. Medical Relief Works.- The Ashram conducts a well equipped Ayurvedic Free Dispensary which is in-charge of a trained Doctor and we give free medicine on an average to 60 patients every day. We prepare the medicines in the Ashram pharmacy.

V. Hostel for Students.- In our premises we conduct a Hostel for the Harijan students where we give free boarding, lodging and clothing to 16 Adikarnataka students, many of whom are taking training in Industrial courses like weaving, Electrical Works, Carpentry etc. We also have some poor students of Caste-Hindus living in the Ashram.

VI. Propaganda Centre - We have a regular office with literature, posters, lantern slides, canema films etc., and with workers who visit the slum centres in the City and also villages and towns in the State and carry on regular propaganda for temperance, pranidaya, health, Harijan uplift etc.

Sites granted to the Sangha - The Municipality has granted to us the following sites adjoining the Sweepers' Lines as shown in the annexed sketch marked in red pencil -

Site No.I. measuring 112' x 34' that is 420 sq.yds, as per Resolution No.59 of the Municipal Council, held on 13th June 1931 and approved by the Government in thier G.O No.L.1135-M1.69-31-4 dated 13th August 1931. On this site we have constructed the tiled buildings which are accommodating the Kanarese and Telugu classes, the Medical Stores, Bath room and well. The Students' quarters and propaganda offices All these buildings have cost the Sangha Rs.5,600/- all of which have been raised by donations from Public.

Site No.II. measuring about 124' x 34' or 450 sq.yds grant by the Municipal Council as per Resolution No.1 of the Bangalo City Municipal Council held on 8th August 1931, confirming the resolution of the City Improvement Committee on 8th July 1931 recommending the grant of the site. Government have also

passed orders sanctioning the grant. On this site we have constructed a building in which the Tamil classes are being conducted and also the Night School. For the present we are also conducting our Dispensary in one of the rooms of this building. We have also begun the construction of the building separately intended for the Dispensary. The building so far constructed have costed nearly Rs.2,000/- and the present Dispensary which we are building will cost a similar amount, all of which the Sangha has raised as donations from Public.

Site No.III. This site measuring 125' x 50' and situated to the west of the Sweepers' lines was sanctioned by the Municipal Council as per Resolution No.46, at the Council meeting held on 23rd August 1933. On this site we propose to have a Nursery School and also garden and play-ground for students for which there is a very great need. It is for this site that Government sanction is to be secured

I request you to kindly secure the early sanction of Government for the grant of the site No.III. and we shall then construct the compound wall and lay out the gardens and play-ground.
